Trial Court Case # 3AN-09-11007CI

The clerk has reviewed appellant's opposition to entry of judgment for cost of appointed attorney. The appellant opposes entry of judgment for cost of appointed attorney because he filed a petition for hearing in the Supreme Court and because he is indigent; Appellant's petition for hearing was denied on 7/29/19. Because appellant's conviction was not reversed on appeal, it is still the clerk's intention to enter a judgment against appellant requiring the payment of **\$1,500.00** for the costs of the court-appointed attorney's work in preparing the felony appeal of an order denying an application for post-conviction relief.

If appellant wishes to have a judge review the clerk's decision, appellant must file the enclosed "Request for Review of Clerk's Intention to Enter Judgment" on or before **8/13/19**. If appellant does not file the request by that date, a judgment for **\$1,500.00** will be entered against appellant. If appellant files the request by that date, it will be submitted to a judge to determine whether judgment should be entered, and, if so, in what amount.

☐ The clerk or court is proposing to enter more than one judgment against me. This is not correct because all of my offenses were resolved in one court proceeding.

☐ I should be assessed less than the scheduled amount because my attorney spent only ____ hours on my case. (If you check this box, you must attach a statement from your attorney showing the hours spent on your case.)
